

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

FLAMINGMOON KIME,

Defendant.

Case No. CR14-231RSL

ORDER REDUCING TERM
OF SUPERVISED RELEASE

This matter comes before the Court on defendant's "Motion for Early Termination of Supervised Release." Dkt. #41. Defendant moves for early termination of his three-year term of supervision. Having reviewed defendant's motion, the government's response, and the remainder of the record, the Court finds as follows:

(1) On October 23, 2014, defendant pled guilty to one count of being a felon in possession of a firearm in violation of 18 U.S.C. § 922(g)(1). Dkt. #23. On January 16, 2015, the Court sentenced defendant to 60 months' imprisonment with three years of supervised release. Dkt. #35. Defendant was released from the custody of the Federal Bureau of Prisons ("BOP") on December 17, 2018, when he began his three-year term of supervised release.

(2) The Court commends defendant on his performance while on supervision. However, viewing the record as a whole, the Court finds that the conduct of the defendant and the interest of justice warrant a one-year reduction in the current term of supervised release. 18 U.S.C. § 3583(e).

1 (3) Accordingly, defendant's request for early termination is GRANTED in part. IT
2 IS HEREBY ORDERED that defendant's current term of supervised release be shortened to a
3 term of two years. Defendant shall be discharged from supervised release on December 17,
4 2020.

5 The Clerk of Court is directed to send copies of this Order to all counsel of record and to
6 the United States Probation Office.

7
8 DATED this 5th day of October, 2020.
